Monday November 19th - We traveled to Dimmit and came away with a hard fought victory, 64 to 62. Johnathon Denbow and Sam Coombs scored in double figures with 21 and 14 respectively. Jesse Whitley and Terrance Stiger each pulled down 10 rebounds each. As a team, we hit 12 three-pointers and needed every one. We had great effort by everyone and will return to action on the 27th at Hartley. - Coach Bailey

Jr. Lady Rider Basketball

The JH Lady Riders played their first basketball game of the season last night in Vega. The LR led the first quarter. The Longhorns then took control in the second quarter. We played tough defense in the third, but had a hard time dropping the ball in the hoop. The fourth quarter brought the best connection of team play, but the ladies were unable to take the lead back. We had a first game of experience for the majority of our team. We have three girls with some experience of playing basketball in their seventh grade year and the rest of the girls new to the game. Since we have one team we play at the 8th grade level. The experience of the game, the determination and hustle that the young ladies demonstrated, and the desire to win will lead the young ladies to some success this year. We play at Sunray on Monday; please wish the girls good luck.
