

BRISD ATHLETIC CODE OF CONDUCT

Boys Ranch I.S.D. Athletic Program represents an important aspect of total student learning, where students are afforded an opportunity for physical, mental, spiritual, emotional, and social growth, and where the District's mission of education excellence is enhanced.

Athlete's Code of Conduct

Being a BRISD Athlete is a student choice and thereby a privilege, one that along with being a great honor, carries with it responsibilities. The following are expected of a Boys Ranch Athlete:

1. Boys Ranch athletes will be intense competitors on the field, the court, the mat, and the track but are expected to conduct themselves as ladies and gentlemen at all times and strive to model their behavior after Cal Farley's Boys Ranch ideals.
2. Boys Ranch athletes are to display positive leadership at all times in our school and around the community.
3. Boys Ranch athletes are to strive for the highest in moral and spiritual values.
4. When traveling to compete against other schools, Boys Ranch athletes will represent themselves and their teams in a manner that reflects Cal Farley's Boys Ranch values and ideals.

As a Boys Ranch athlete, our young men and young ladies have an image to reflect: one of leadership, character, responsibility, competitive spirit, and integrity. Students are not required to take part in extracurricular activities. Therefore, it is imperative that all students taking part in athletics understand the following responsibilities and rules and that the coaches of that athletic program and the athletic director have the right to remove that privilege.

I. Training Rules

All training rules must be followed from the start of the season to the end of the season. Any incident report containing the following violations will have the following consequences.

Use/Possession of Tobacco Products

First offense - Athlete is placed on probationary status for the remainder of the sport, eligible to practice, and eligible to participate in athletic contests.

Second offense – Athlete is ineligible for letter award, eligible to practice, ineligible to participate in athletic contests for one calendar week.

Third offense – Athlete is still eligible for practice, but ineligible to participate in athletic contests for two calendar weeks.

Use/Possession of Alcohol/Drugs/Illegal Substances

First offense - Athlete is placed on probationary status for the remainder of the sport, eligible to practice unless placed in DAEP, ineligible to participate in athletic contests for three weeks, and ineligible for letter award.

Second offense- Athlete is eligible to practice unless placed in DAEP and ineligible for athletic contests for six calendar weeks.

II. Serious Criminal Offenses

First offense - Athlete is placed on probationary status for the remainder of the sport, eligible to practice unless placed in DAEP, ineligible for athletic contests for minimum of three calendar weeks, and ineligible for letter award.

Second offense – Athlete is eligible to practice unless placed in DAEP and ineligible for athletic contests for six weeks.

When a training rule or serious criminal offense has occurred, school administration (superintendent, athletic director, or campus principal) should be notified, as well as, the head coach by a member of the childcare team. Violations should be reported no later than 48 hours after the incident.

III. Quitting

An athlete is strongly discouraged from quitting an athletic team after the sport's first contest except under very rare circumstances. The caseworker/ houseparent, head coach, and school administrator will be in communication regarding those athletes that wish to quit.

If an athlete quits one athletic team, he/she may be suspended from the next athletic activity for up to six weeks.

No letter award would be earned for that sport.

Ineligible for letter jacket, as well as, "Athlete of the Year" honors.

IV. During the contest

The athlete must refrain from the use of profanity/trash talk or resorting to illegal tactics.

Temper fits, flagrant violations of rules, etc. will not be tolerated.

Ejection from a contest will result in a mandatory one-date suspension from the next event.

Total respect of officials is a must.

Any behavior contrary to the above-mentioned or any act, which is not conducive to good sportsmanship, will result in temporal and perhaps permanent removal from the contest. The head coach will appropriately discipline any athlete who is ejected from a contest.

V. Practice Regulations

Practices are essential for proper conditioning, improvement of techniques, and teamwork skills. Athletes are required to attend all scheduled practices.

Notify the coach as soon as possible prior to a practice or contest an athlete must miss.

Obey all practice/training rules set up by the coach.

Profanity and poor effort will not be tolerated.

Violation of practice regulations will result in loss of letter award for that sport.

VI. Travel

Be on time for all trips.

Dress appropriately as directed by the coach.

Abide by all rules while traveling on bus/van/etc.

Be mannerly in restaurants and public places.

All students making the trip on the bus will return on the bus unless in an emergency-type situation or there is good reason for returning with the parents. If a student plans to return with the parents, it must be cleared with the head coach prior to the trip.

Residents must have proper paperwork, in order for a coach to release them for a home visit.

VII. School Equipment

Athletes are responsible for the proper care of all equipment they are issued for their respective sports.

School equipment must not be abused nor worn for personal use.

Replacement of any equipment damaged by improper care, lost, or stolen is the financial responsibility of the athlete.

Boys Ranch ISD Athletic Goals

Goals of the Junior High Program

- A quality experience for all athletes involved.
- Development of skills to progress as an athlete.
- Sportsmanship on the playing field as well as off.
- Enjoyment of the game and of the team- building experience.

Each of these goals has equal weight in the Junior High Program. Winning is an outcome of the accomplishment of these goals. The desire to win is fostered; however, the winning is a nice thing that happens at this level – it is not the driving force that governs the program.

Goals of the Junior Varsity Program:

- Development of skills and refinement to prepare for Varsity competition.
- A quality experience for all athletes involved.
- Sportsmanship on the playing field as well as off.
- Enjoyment of the game and of the team–building experience.

At this level, a primary focus is development of players to compete at the varsity level – but not at the expense of other goals. The desire to win is more strongly encouraged, but again not at the expense of the other goals.

Goals of the Varsity Program

- Refinement of skills to create a competitive interscholastic team.
- Sportsmanship on the playing field as well as off.
- Develop citizenship and leadership (school & community).
- A quality experience for all athletes involved.
- Enjoyment of the game and team-building experience.

Winning at all costs is not a concept that is promoted at the varsity level; however, there is a higher expectation to win. Coaches will make team decisions that will affect individuals on the team differently in an effort to win, but not at the expense of other goals.

Athletes' Expectations of Coaches

Each athlete can expect his or her coach to:

- Run a well-organized and productive program.
- Develop a positive environment that encourages athletic achievement.
- Hold each athlete and team accountable for action on and off the playing field through proper supervision.
- Lead by example through actions and words on and off the field.
- Correct mistakes in a positive manner that encourages development.
- Support other athletes, coaches, and programs with sincere enthusiasm and loyalty to the school.

Coaches' Expectations of Parents/Caseworkers

- Communicate any concern directly to the coach.
- Notification of any scheduled conflicts in advance.
- Notification of any injury or illness promptly.

Topics left to the coaches' discretion.

- Playing time.
- Play calling.
- Team strategy.

Parent/Caseworker-Coach Meeting Procedure.

1. Our coaches may be contacted either at home or the school.
 2. Request a meeting to discuss concern.
 3. If the coach is unavailable, contact the athletic director.
 4. Do not confront a coach when children are present. (i. e. ...right before or right after a game or practice.)
- Meetings of this nature usually do not promote positive resolutions.

If not satisfied with the outcome of the parent/cw-coach meeting, contact the Athletic Director. If no resolve has been made after these two meetings, you may contact the Superintendent's Office.

QUESTIONS AND ANSWERS

~ Can an athlete practice or participate in a contest the same day that he/she served ISS or DAEP?

Answer: Yes and No. A student will practice the same day he/she served ISS. A student may not participate in athletic contests on the same day that ISS was served. A student in DAEP is not allowed to practice nor participate with an athletic team.

~ May an athlete compete in dual sports during a season?

Answer: Yes. An athlete may participate in two sports during a season. The first sport must be designated Primary and the second choice as Secondary. If the athlete fails academically, he/she will be limited to one sport per season the remainder of the year.

~ Do academically ineligible students continue to practice?

Answer: Yes. According to UIL, even though an athlete is ineligible for athletic contests, he/she will continue to regularly attend practices.

~ Do injured athletes attend practices or travel with teams to contests?

Answer: Yes and No. Injured athletes do attend practices for rehabilitation, cognitive skills, and team unity. Due to budget constraints, injured athletes do not travel to away events unless assigned a managerial task by the coach.

~ When a student fails a course at the end of a grading period, is that course the only subject the student must pass to regain eligibility in three weeks?

Answer: No, the student must be passing all courses at the end of the three-school week evaluation period in order to regain eligibility.
