

Boys Ranch Independent School District
Blakemore Middle School
2022-2023 Campus Improvement Plan

Mission Statement

Blakemore Middle School offers every student the opportunity to belong to a school community built on mutual respect, unconditional acceptance, and academic excellence.

Vision

Blakemore Middle School will maintain a positive, diverse, and supportive environment in which students learn to recognize their own talents, strengths, and develop self-discipline to be successful in their future.

Comprehensive Needs Assessment

Demographics

Demographics Summary

Based on our 2020-2021 Texas Academic Performance Report (consists of 2019-2020 information), our student groups consisted of 8.6% African American, 28.6% Hispanic, and 62.9% White. 68.6% were Economically Disadvantaged, 31.4% Non-Educationally Disadvantaged, 14.3% Section 504 students, 2.9% were English Learners, 2.4% Students with Disciplinary Placement, 2.9% students with Dyslexia, and 74.3% were At-Risk.

The teaching staff were 41.2% males and 58.8% females and were 12.0% minority. 71.8% have Bachelor's degrees and 28.2% have Master's degrees. 8.1% were beginning teachers, 18.5% have 1-5 years of experience, 16.1% have 6-10 years, 33.1% have 11-20 years, and 24.2% have over 20 years of experience. Average years experience of teachers was 11.2 years. Average year of experience of teachers with district was 6.8%.

The data used to evaluate Demographics are TAPR, PEIMS, DMAC, enrollment sheets, and accumulation folders.

Demographics Strengths

Students are accepting of one another.

There is a diverse group of students at Blakemore.

The teacher-to-student ratio is small which allows the ability for students to grow educationally and socially.

There are many adults from the community (School and Ranch) that help with crisis intervention.

Problem Statements Identifying Demographics Needs

Problem Statement 1 (Prioritized): More students need to be enrolled. **Root Cause:** There is a need for more House Parents.

Student Achievement

Student Achievement Summary

Blakemore Middle School 2022 STAAR Scores

The 2022 STAAR Percent at Approaches/Meets/Masters Grade Level:

6th Reading 60%/0%/40% and 6th Math 20%/40%/10%

7th Reading 33%/17%/17% and 7th Math 17%/33%/0%

8th Reading 22%/28%/28%, 8th Math 17%/39%/17%, 8th Science 22%/22%/50%, and 8th Social Studies 33%/33%/17%

The data is from the 2021-2022 STAAR Performance scores.

Student Achievement Strengths

Staff know the students' needs for growth; there are huge (academic, behavioral) gains throughout the year.

Teachers, administrators, paraprofessionals care about students' achievements.

Testing data is easily attainable.

Problem Statements Identifying Student Achievement Needs

Problem Statement 1 (Prioritized): More student background and academic information is needed upon enrollment to best meet the students' needs and to prepare for instruction.

Root Cause: There is information that is necessary and there is information that is protected; how much information can be shared with appropriate staff?

School Culture and Climate

School Culture and Climate Summary

The Blakemore Middle School culture and climate can change at any time since the student population fluctuates throughout the school year. Being a school (within the district) that serves the Residential Facility of Cal Farley's Boys Ranch, the staff try to create and maintain a positive school culture and climate. Boys Ranch Independent School District (and Blakemore Middle School within it) tries to maintain structure and procedures that are hopefully calming to our largely At-Risk population. The ISD tries to maintain structure and procedures that are in collaboration with the techniques used by Cal Farley's Boys Ranch. (taken and adjusted from the District Improvement Plan).

The data used were observation, and different types of communication, the Enrichment Period and Response to Intervention data.

School Culture and Climate Strengths

Having a low staff turn-over helps to build and maintain a positive culture.

Students are rewarded for positive behavior and good grades: Rider Recognition Tickets (positive accolades from staff are mentioned on the announcements and one ticket is chosen at the end of the 6 weeks for a gift card), Star Students of the 6 Weeks (chosen by teachers, mentioned on the announcements, picture displayed, given candy and a gift card, and parents (or teams) are informed), A/AB Honor Roll Parties during the 1st, 2nd, 4th and 5th 6 Weeks (praised by the administration, time to talk with friends, and given food and drink), Student Behavior Semester parties (based on Low Level Reports- LLR's).

There is accountability on everyone's part (staff and students).

Staff are committed, compassionate, and love the students.

Problem Statements Identifying School Culture and Climate Needs

Problem Statement 1 (Prioritized): There is limited time to many things done. **Root Cause:** Time needs to be carved out once a month for positive team building (for both students and staff).

Staff Quality, Recruitment, and Retention

Staff Quality, Recruitment, and Retention Summary

The goal at Boys Ranch ISD (and Blakemore Middle School within it) is to have dedicated high quality staff. We are 36 miles away from Amarillo, Texas. BRISD offers a gasoline stipend for teachers who drive or a commuter van if they choose not to drive their own vehicles. Vacancies are advertised on local, regional, and state job board sites. Faculty are also recruited through job fairs. The BRISD salary schedule is comparative with surrounding cities including Amarillo, Canyon, and Bushland. The board has approved a staff retention plan that pays staff after they return each year. First year teachers have mentors on their campuses. BRISD offers tuition reimbursement program (taken from the District Improvement Plan).

Data used to analyze Staff Quality, Recruitment and Retention are the T-TESS evaluation system and job postings (school website and Region 16), West Texas A&M University job fair, and minimal turn-over rate.

Staff Quality, Recruitment, and Retention Strengths

Competitive salary, years of experience, student-to-teacher ratio, insurance, daycare, the existing staff encourages retention for new teachers, and the type of staff that are here are some of the strengths of our organization.

Problem Statements Identifying Staff Quality, Recruitment, and Retention Needs

Problem Statement 1 (Prioritized): There is a certain type of staff member needed to work at Blakemore (Boys Ranch ISD). **Root Cause:** Staff members need to be dedicated (high risk population, students live on Ranch, and long drive) to work at Boys Ranch ISD.

Curriculum, Instruction, and Assessment

Curriculum, Instruction, and Assessment Summary

Blakemore teachers utilize the TEKS and the T-TESS rubric and incorporate technology through a variety of available resources to address both student academic progress and teacher professional growth:

- Scope and Sequence to ensure aligned curriculum based on TEKS,
- Interventions for struggling students,
- Opportunities provided for collaboration time to monitor student progress,
- Integration of technology in classrooms (1:1 Chromebooks),
- Professional Development to target the specific needs our population,
- Instructional Coach on each campus,
- Utilization of TTESS for professional growth (taken from the District Improvement Plan)

Data used for Curriculum, Instruction, and Assessment evaluation are LLR system and assessments, iReady, ISTATON, Get More Math, Writing by Design, TEKS Resource Systems, formal and informal observations, and staff/teacher trainings and T-TESS walkthroughs.

Curriculum, Instruction, and Assessment Strengths

Blakemore uses a variety of resources.

Several classes were added to the schedule this year: Life Skills, Tech Apps, Agriculture, Financial Literacy, 7th Grade Honors History.

Staff members share new knowledge and collaborate with one another (during the Collaboration Period).

The Enrichment Period and RtI (after school) are great daily opportunities to assess, work with, and continue the academic growth of our students.

Communication among teachers while working for the students (putting their needs first and putting Reading and Math on the forefront), using programs like iReady and ISTATON (for Reading), Get More Math and seeing movement among the tiers and using TEKS Resource to align the TEKS to lessons and tests are all strengths.

Teachers periodically administer Pre-tests and Post-tests to assess academic growth.

Teachers also administer At-Bats twice a year and the STAAR Tests (April/May) to analyze and track the academic needs of our students.

Also, i-Ready is a diagnostic tool given in 6th, 7th, and 8th grade for Reading and Math at the beginning, middle, and at the end of the school year.

Problem Statements Identifying Curriculum, Instruction, and Assessment Needs

Problem Statement 1 (Prioritized): With the increased advances in technology, staff must always be flexible with change. **Root Cause:** Technology is continually advancing and it is hard to sustain the new knowledge.

Parent and Community Engagement

Parent and Community Engagement Summary

Boys Ranch ISD is a Special Purpose District created to serve the children of the Residential Facility of Cal Farley's Boys Ranch. BRISD (and Blakemore Middle School within it) works to develop a strong partnership with houseparents, parents, and the administration of Cal Farley's. ISD faculty and Cal Farley's staff participate in collaborative activities such as Rodeo, Dippel Activities, and various sport events.

Data used to access Family and Community Involvement are email communications, clinic reports, and survey responses.

Parent and Community Engagement Strengths

The District and Ranch are within one community. Students receive on-site medical services (counseling, clinic, etc.).

Many people are advocating for the successes of the students (many adults from both the School and Ranch advocate for each child and are willing to help).

The Boys Ranch staff are willing to be involved in lessons and programming (shared staff).

There are 'Send Off' support for students that are going to State competitions (line the streets, fire truck escort, banners).

The Rodeo is usually a big attraction.

Ranch staff host Christmas parties and invite school personnel.

Problem Statements Identifying Parent and Community Engagement Needs

Problem Statement 1 (Prioritized): While there is always a continued need for improved communication between the School and Ranch, it is felt there needs to be increased communication from the teachers to house parents/parents on student progress. **Root Cause:** Communication needs to be shared among staff (teachers and administration) to house parents.

School Context and Organization

School Context and Organization Summary

BRISD has experience district and campus leadership. BRISD utilizes Cal Farley's personnel within the school to meet the special needs of our students. The district also employs specialized at-risk counselor and behavior and academic interventionists (taken from the District Improvement Plan).

Blakemore Middle School shares a Ranch employee for the 6th grade Tech Application class.

The At-Risk Counselor for K through 8th is shared between Blakemore Middle School and the elementary campus.

Blakemore Middle School has a 6th- 8th Grade Reading teacher.

The K- 8th Assistant Principal is also the Instructional Coach.

Data used to discuss School Context and Organization are LLR reports, observations, and input from staff and students, and data from the survey.

School Context and Organization Strengths

Students remain a priority and are focused on through meetings and collaborations between administration and BR staff.

There is productive collaboration among teams.

Different forms of communication are utilized.

Problem Statements Identifying School Context and Organization Needs

Problem Statement 1 (Prioritized): School staff needs to improve the opportunities to bridge the gaps to fully meet students' needs. **Root Cause:** More classes are being offered, but the length of the Enrichment Period was affected.

Technology

Technology Summary

BRISD is strongly committed to 21st Century learning through technology integration in the classroom. BRISD provides teachers with classroom support in technology integration. All teachers have access to laptops. Blakemore Middle School has 1:1 ratio in technology. Students have opportunities to access online learning for various instructional activities (adapted from District Improvement Plan).

Each middle school student has a Chromebook. The Chromebooks are used during the school day. In quarantine situations, students are given their Chromebooks to work from home.

The data used to discuss Technology is the IT Department, surveys, and teachers' lesson plans, students' projects, and 21st Century training.

Technology Strengths

Through the ability of each student having their own Chromebook, the use of Google Classroom, and the use of Go Guardian to monitor all of this, BMS staff can better serve our students in the classroom.

Boys Ranch ISD has an outstanding IT Department that is willing and able to help immediately.

Tasha Yarbrough is a shared staff member (Chromebook and Google Manager) that assists students and staff in technology issues throughout the day.

Students' projects show that they are using technology in inventive ways.

Problem Statements Identifying Technology Needs

Problem Statement 1 (Prioritized): Students need to be on a more even technology field. A time needs to be set aside for students to establish skills and practices specific to Google Classroom. **Root Cause:** There is an influx of students with different technology backgrounds.

Priority Problem Statements

Problem Statement 1: More students need to be enrolled.

Root Cause 1: There is a need for more House Parents.

Problem Statement 1 Areas: Demographics

Problem Statement 2: More student background and academic information is needed upon enrollment to best meet the students' needs and to prepare for instruction.

Root Cause 2: There is information that is necessary and there is information that is protected; how much information can be shared with appropriate staff?

Problem Statement 2 Areas: Student Achievement

Problem Statement 3: There is limited time to many things done.

Root Cause 3: Time needs to be carved out once a month for positive team building (for both students and staff).

Problem Statement 3 Areas: School Culture and Climate

Problem Statement 4: There is a certain type of staff member needed to work at Blakemore (Boys Ranch ISD).

Root Cause 4: Staff members need to be dedicated (high risk population, students live on Ranch, and long drive) to work at Boys Ranch ISD.

Problem Statement 4 Areas: Staff Quality, Recruitment, and Retention

Problem Statement 5: With the increased advances in technology, staff must always be flexible with change.

Root Cause 5: Technology is continually advancing and it is hard to sustain the new knowledge.

Problem Statement 5 Areas: Curriculum, Instruction, and Assessment

Problem Statement 6: While there is always a continued need for improved communication between the School and Ranch, it is felt there needs to be increased communication from the teachers to house parents/parents on student progress.

Root Cause 6: Communication needs to be shared among staff (teachers and administration) to house parents.

Problem Statement 6 Areas: Parent and Community Engagement

Problem Statement 7: School staff needs to improve the opportunities to bridge the gaps to fully meet students' needs.

Root Cause 7: More classes are being offered, but the length of the Enrichment Period was affected.

Problem Statement 7 Areas: School Context and Organization

Problem Statement 8: Students need to be on a more even technology field. A time needs to be set aside for students to establish skills and practices specific to Google Classroom.

Root Cause 8: There is an influx of students with different technology backgrounds.

Comprehensive Needs Assessment Data Documentation

The following data were used to verify the comprehensive needs assessment analysis:

Improvement Planning Data

- District goals
- Campus goals
- Performance Objectives with summative review (prior year)
- Campus/District improvement plans (current and prior years)
- Planning and decision making committee(s) meeting data

Accountability Data

- Texas Academic Performance Report (TAPR) data

Student Data: Assessments

- Student Success Initiative (SSI) data for Grades 5 and 8
- Grades that measure student performance based on the TEKS

Student Data: Student Groups

- Race and ethnicity data, including number of students, academic achievement, discipline, attendance, and rates of progress between groups
- Special programs data, including number of students, academic achievement, discipline, attendance, and rates of progress for each student group
- Economically disadvantaged / Non-economically disadvantaged performance and participation data
- Special education/non-special education population including discipline, progress and participation data
- At-risk/non-at-risk population including performance, progress, discipline, attendance, and mobility data
- Section 504 data
- Dyslexia data
- Response to Intervention (RtI) student achievement data

Student Data: Behavior and Other Indicators

- Discipline records
- Class size averages by grade and subject
- School safety data
- Enrollment trends

Employee Data

- Professional learning communities (PLC) data
- Teacher/Student Ratio
- Campus department and/or faculty meeting discussions and data
- Evaluation(s) of professional development implementation and impact

Parent/Community Data

- Parent surveys and/or other feedback
- Community surveys and/or other feedback

Support Systems and Other Data

- Processes and procedures for teaching and learning, including program implementation
- Communications data
- Study of best practices
- Action research results

Goals

Revised/Approved: November 16, 2022

Goal 1: All Blakemore students will learn and succeed at high academic levels as required by the TEKS.

Performance Objective 1: Blakemore will implement a rigorous curricula and assessment aligned with district and state standards.

Evaluation Data Sources: walkthrough data, teacher evaluations, student progress reports are data sources

| Strategy 1 Details | Reviews | | | |
|--|---|---|---|-----------|
